Praying for repentance, revival,
and restoration of America.

“The hour has come for you to wake from your slumber.

Because our salvation is nearer now than when we first believed.

About us

I The American Wake Up Call 2024

A Second Chance for America

There is still hope for America.

Yes, we know that America is in terrible trouble. Our government is corrupt. Crime is out of control. We have suffered through terrorism, the Covid plague, energy failures, and the threat of war. And our children are under attack from a perverted agenda. The truth is that our people and many of our Churches are asleep, and the country is sliding toward destruction.

But God is sending signs in the Heavens as a Wake Up Call to America that the whole country will be talking about. If His people will partner with Him, He wants to give America a second chance.

It is God's people who have been called to bring healing to our land through prayer, seeking God's face, and repenting for the sins of the Nation and the Church. (2 Chronicles 7:14). Like the Exiles who returned to Israel after their Babylonian captivity, we must humble ourselves, confess that God's judgements are just, and return to Him so He will return to us. (Zechariah 1:1-6).

We believe that God set aside a day, October 14, 2023, for Sacred Assemblies all over America as the prophet Joel said, to "rend your heart and not your garments. Return to the Lord your God for He is gracious and compassionate, slow to anger and abounding in love and He relents from sending calamity" (Joel 2:13). Joel also pointed us to the prophetic signs in the Heavens, (Joel 2:28-32) and such a sign, a dark sun or total solar eclipse, passed over America on October 14, 2023, as a visible sign to confirm God's call to pray, repent, and return to Him.

All over America Churches and prayer groups answered the call to pray on October 14, 2023. In response God moved to reveal hidden sins in the Church, anti-semitism in the nation, and corruption in the government. He has shined a light into the darkness, and America stands in the Valley of Decision moving into the fateful year of 2024.

On April 8, 2024, a second total Eclipse will pass over America to confirm God's desire to give America a second chance. The apostle Peter, on the day of Pentecost, quoted Joel's word about how God will send prophetic signs in the Heavens, as God sends His Holy Spirit, and all who call on His name will be saved. (Acts 2:17-21). We urge you to set aside this date to come together in unity to pray for a second chance, to be refreshed in the Holy Spirit, move to transform our communities with the love of God, and begin to restore our land.

This is an urgent hour for our nation and the Churches. God wants to give us a second chance, but it may also be our last chance.

"The hour has already come for you to wake up from your slumber,
because our salvation is nearer now than when we first believed.
The night is nearly over; the day is almost here.
So let us put aside the deeds of darkness and put on the armor of light"
(Romans 13:11-12, NIV).

Come join us in the American Wake Up Call:

1. As we enter 2024 continue to pray for America to repent and return to God.
2. Set aside Monday, April 8, 2024, as a day of fasting and prayer for a fresh infilling of the Holy Spirit and Revival. Ask your prayer group and/or your Church to invite other Christians for united prayer and a celebration of America's second chance. Also consider planning a community outreach to care for people and share the Gospel.
3. We recommend that Christians will schedule their lunch hour on Monday April 8 to correspond the passage of the April 8, 2024 Eclipse overhead and make it a time of prayer and outreach.
4. If you are holding a meeting on April 8, 2024, please send the information to our website at www.AmericanWakeUpCall.net/events if you want us to publicize your meeting.
5. If you live near the path of the Eclipse pray about a pilgrimage to pray under the Eclipse. We will post meeting locations in Eclipse cities on our website at www.AmericanWakeUpCall.net/events.
6. Please send any questions or comments to our website at www.AmericanWakeUpCall.net/contact.
7. Please pray for the American Wake Up Call, but above all pray for America to wake up before it's too late.

Lift up your eyes to Heaven. God has not forgotten about you, and He is not finished with America!

II Prophetic Signs in the Heavens

In the book of Acts, Peter, quoting from Joel, says that the Lord will send “wonders” in the Heavens, including Dark Suns (Solar Eclipses) and Blood Moons (Lunar Eclipses) during the Church Age. The word “Wonder” is a mistranslation of the Greek word “Teras”, meaning “omen” or prophetic sign. Peter is telling us that God is sending prophetic messages through the Solar and Lunar Eclipses.

In order to understand the prophetic messages, we begin with Psalm 19, which says that the Heavens declare the Glory of God day and night. The Sun is called a Champion and Bridegroom, symbolizing Christ. The Moon is described in Psalm 89 as the Faithful Witness in the Sky, symbolic of the Believers, the Bride of Christ. The interactions of the Sun and Moon result in Solar and Lunar Eclipses and form the basis of the Lunar Calendar, which God established for Israel. For more information about the heavenly revelation take a free download of our book, *The Stars of His Coming* at <https://bit.ly/StarBook>.

On the Hebrew calendar, the month began when the New Moon was first observed. God established a New Moon festival for the first day of the month, also known as the Feast of the Born Again. The Moon orbits the Earth at a slight angle and crosses the path of the Sun twice a Lunar Year, often resulting in a Solar Eclipse on the first day of the Hebrew month. When the Sun and the Moon are on opposite sides of the Earth during a Full Moon at mid-month, the Moon can enter the Earth’s shadow in a Lunar Eclipse. During a Lunar Eclipse, the Sun’s light passes through the Earth’s atmosphere to create a red shadow, which gives Lunar Eclipses the name Blood Moons.

Some years back, in 2014 and 2015, there was much written about a four Blood Moon, “Tetrad”, which occurred on the Hebrew Feasts of Passover and Tabernacles for both years. Some writers warned of Judgement, but our research shows the opposite. According to Joel and Peter, Blood Moons are a sign of the outpouring of the Holy Spirit and Salvation, as well as overcoming Satan by the Blood of the Lamb in Revelation 12. Blood Moon Tetrads since Christ came have been hopeful signs of major Church expansions and revivals. For more information take a free download of our book, *The Mystery of the Blood Moons* at <https://bit.ly/StarBibleBloodMoons>.

Dark Suns, or Solar Eclipses, send a message of both comfort and warning. The unity of the Moon and the Sun creates a beautiful picture in the sky and invites the Believers to come into the loving presence of God. On Earth, however, the Dark Sun creates a path of darkness, a warning of the dark days of Judgement as in Amos 5:20. The last Solar Eclipse to cross America, the “Great American Eclipse” of August 21, 2017, came at the beginning of the Hebrew season of repentance, Teshuvah, and conveyed such an invitation into God’s presence and a warning of judgment. For more information take a free download of our book, *Teshuvah Eclipses* at <http://bit.ly/TeshuvahEclipses>.

On August 21, 2017, we encouraged Christians to seek the Lord along the path of the Eclipse from Oregon to South Carolina. Our prayer group met in Kansas City but there was heavy rain and only darkness during the Eclipse. The next day we prayed for understanding at the International House of Prayer in Kansas City. This is what we heard:

“Judgements are Decreed”

III America in the Valley of Decision: The October 14, 2023

Repentance Eclipse

The Dark Sun occurred on the first day of the eighth Hebrew month of Bul. It was an annular eclipse, meaning that during totality there was a ring of fire around the Moon, a picture of judgement.

It was during the eighth month that Northern Israel brought judgement upon itself by embracing apostasy. King Jeroboam, fearing that worshipping God in Jerusalem would weaken him politically, set up a feast day on the 15th day of the eighth month to replace the God-ordained feasts of Israel. (2 Kings 12:33). In response, the Prophet Ahijah pronounced God's judgement on Jeroboam and Northern Israel, promising to remove them from His presence because of their sins. (2 Kings 14:15-16 and 17:23). Judgement fell in 722 BC when the Assyrians destroyed the Northern Kingdom and exiled the people, now known as the Ten Lost Tribes of Israel, who disappeared from history.

In our time, many of our churches have brought judgement on themselves by embracing apostasy. Like Jeroboam, they have replaced the God-given faith with doctrines which seemed better politically. These churches no longer speak of sin, but instead support abortion, gay marriage, trans-genderism, and other abominable practices. By trying to seek popularity, their numbers decreased, and their denominations have divided. By trying to blend into the culture, they have disappeared into the culture like the Lost Tribes of Israel.

Many of our other churches have not been able to meet the challenge posed by a godless culture. Their situation is reminiscent of another event which happened in the eighth month: the completion of Solomon's Temple. (1 Kings 6:38). The Temple was ready, but powerless, because the presence of the Lord did not come until the Temple was dedicated almost a year later. Without the presence of God, our churches are powerless like the empty Temple. They have had little effect on society, and the unchecked sins of the people have brought judgment on America.

We believe that the word of Zechariah, given in the eighth month to a people reeling under Judgement, is still valid for today:

"In the eighth month of the second year of Darius, the word of the Lord came to the prophet Zechariah son of Berekiah, the son of Iddo:

"The Lord was very angry with your ancestors. Therefore, tell the people: This is what the Lord Almighty says: 'Return to me,' declares the Lord Almighty, 'and I will return to you,' says the Lord Almighty. Do not be like your ancestors, to whom the earlier prophets proclaimed: This is what the Lord Almighty says: 'Turn from your evil ways and your evil practices.' But they would not listen or pay attention to me, declares the Lord. Where are your ancestors now? And the prophets, do they live forever? But did not my words and my decrees, which I commanded my servants the prophets, overtake your ancestors?

"Then they repented and said, 'The Lord Almighty has done to us what our ways and practices deserve, just as He determined to do'" (Zachariah 1:1-6, NIV).

As in the days of Zechariah, Americans must acknowledge our sins and repent before we can return to God.

Judgements on America

Our research shows that America came under judgement in 1998 when the Church did not heed a prophetic warning from Chuck Pierce to seek God to reform the Church in order to counteract the rise of lawlessness and Islamism. Since then, cascading judgments have fallen on America.

1. Lawlessness

In 1998, politicians opened the door for lawlessness by failing to hold President Clinton accountable for his lawless actions.

We have seen Presidents engage in actions they knew were illegal, government agencies flaunt laws, interference in elections by the FBI and the CIA, and failure to enforce laws like our immigration laws. In 2020, lawlessness spread to our cities with race riots and reduced police presence, leading to a massive crime wave.

We have sinned by failing to stand up for freedom and the God-given rule of law.

2. Islamist Terrorism

Chuck Pierce warned of a three-year period after the fall of 1998, and on September 11, 2001, Islamist terrorists killed 3,000 Americans in attacks on the World Trade Center and the Pentagon. Thousands more died or were maimed in the wars against Islamists in Afghanistan and Iraq which followed. The shameful American withdrawal from Afghanistan in 2021 has returned the instigators of the 9/11 attacks to power and emboldened terrorists and other American enemies. Terrorism is on the rise again.

We have sinned by growing weary of protecting people against terrorism and have allowed evil to return.

3. Climate Change Delusion

Current scientific evidence has shown the idea of a global warming apocalypse to be a delusion. However, thanks to promotion by media, politicians, and crony capitalists, Climate Change has become almost a religion. We are already seeing the effects of the delusion in California blackouts, lives lost in cold weather, and higher energy costs. Now climate change zealots in government are waging war on fossil fuels and farmers, which will lead to impoverishment and food shortages for many Americans.

We have sinned by believing false prophets of doom and not seeking the One Who controls the climate.

4. War

Since 1998, America's leaders seem to have lost faith in the values that made America great, like individual freedom, religious freedom, free enterprise, and democracy. Feckless responses to Iranian attacks in the Middle East; Russian aggression in Georgia, Syria, Crimea, and Donbass; and Chinese military expansion have embodied these anti-democratic tyrannies. Now Iran and

its puppet Hamas have attacked Israel, Russia is at war in Ukraine, and our generals fear that China will attack Taiwan in the near future.

We have sinned by not defending our values and being intimidated by Tyrants.

5. Plague

Covid 19 was a judgement against the “gods” of America, similar to the Ten Plagues of Egypt, which brought judgment to the gods of Egypt. The god of Science promised to stop the plague, but could not, while causing thousands of needless deaths by refusing to give simple effective medicines like Ivermectin to the sick. The god of Government promised to stop the plague through lockdowns, but failed and only damaged the livelihood of millions of Americans.

In addition, reckless government spending to mitigate the lockdown damages and buy votes has led to the worst inflation in 40 years.

We have sinned by turning to Science and Government, rather than God, for healing.

6. Child Sacrifice

We have become a society which sacrifices its children to the gods of hedonism, perversion, and political correctness. Over 60 million have been aborted, bringing the judgement of demographic collapse, requiring new immigrants to keep our economy and welfare system intact for now. We protect the treasure in our banks with armed guards, but we do not protect children with armed guards and teachers. Sexual predators are given access to our school children and girls are not protected from men claiming to be women. Worse, children are mutilated to satisfy the politically correct trans-gender agenda. And parents who protest are called terrorists by the government.

We have sinned by failing to cherish and protect the precious children God has sent to us.

As in the time of Zechariah, we confess that these terrible judgements have fallen on us as we deserve.

Praying For Repentance

Let us take God's message of repentance and return to heart and seek God's mercy for America. (Joel 2:15-17).

1. We confess that your people have been called to heal the land by humbling themselves, praying, seeking God's face, and repenting, (2 Chronicles 7:14), but have failed to do so.
2. We confess that your people have been called to be watchmen on the wall to warn of judgement from sin, (Ezekiel 33:19), but have failed to do so.
3. We confess that false prophets have led many astray and have committed adultery, lived a lie, and strengthened the hand of evildoers, so that the people do not turn from their wicked ways. (Jeremiah 23:14).
4. We confess that your people have not come together in unity as Jesus prayed, and have caused the world not to believe the Gospel. (John 17:20-23).
5. We confess, as the people of Jerusalem did in Zechariah 1:6, that the judgement of the Lord is just.
6. We will humble ourselves, pray, seek God's face, and repent for ourselves and the nation.
7. We will commit to return to the Lord, so He will return to us. (Zechariah 1:3).
8. We will pray, "Spare your people, O Lord. Do not make your inheritance an object of scorn" (Joel 2:17, NIV).

"Rend your heart and not your garments. Return to the Lord your God for He is gracious and compassionate, slow to anger and abounding in love and He relents from sending calamity" (Joel 2:13, NIV).

The Bible says that the Lord sends judgement to teach righteousness. (Isaiah 26:9). We pray that Americans will wake up and learn the lesson before it is too late.

IV April 8, 2024: The Second Chance Eclipse

The Dark Sun occurs on the first day of the second Hebrew month of Ziv. It is a total eclipse, featuring a dark sky and a view of the Sun's corona, a spectacular view which invites us to enter God's presence, and will not be seen in the U.S. for another 20 years.

The second month of Ziv features many biblical second chances. Noah's Ark landed on the dry ground the 27th day, beginning the second chance for mankind after the Flood. (Genesis 8:14). Solomon began the Temple on the 2nd day, giving his family a second chance to build it after God prevented David from building it. Zerubbabel began the second Temple in the second month, a second chance to house the Presence of God after judgement fell on Jerusalem and the first Temple in 586 BC.

The Law of Moses also made provision for a second chance to celebrate Passover in the second month if a believer was ceremonially unclean and could not celebrate the normal Passover. King Hezekiah took advantage of the second chance Passover while he was purifying the Temple. (2 Chronicles 30:2-15). Like Hezekiah, we believe that God wants to give us a second chance as we purify our temples. Like Solomon, a chance to build where our fathers failed. Like Zerubbabel, to rebuild what has been destroyed. Like Noah, to give life a fresh start.

In fact, a second chance is at the core of Christian faith. Jesus is the second Adam, bringing life from Heaven. (1 Corinthians 15:45-49). To receive this life, believers must be born a second time. (John 3:3-5). The old man is gone, replaced by a second, a new creation in Christ. (2 Corinthians 5:17). And the believers are ministers of this second, new covenant of Life. (2 Corinthians 3:6).

It was in the second month, 40 days after the resurrection, that Jesus finished His first mission on Earth and ascended into Heaven to await His Second Coming. (Acts 1:3 and 9). Before He left, He gave two instructions to His followers. (Acts 1:4-8). First, they were to be baptized with the Holy Spirit so that they would have power to carry out the ministry. Second, they were to be His witness from their community to the furthest ends of the Earth.

We believe that God is offering America a second chance and proclaiming the year of the Lord's Favor.

"The Spirit of the Sovereign Lord is on me, because the Lord has anointed me to proclaim good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners, to proclaim the year of the Lord's favor" (Isaiah 61:1-2, NIV).

Praying Through the Eclipse

Let us use the Eclipse as a focal point for a second chance to renew our Holy Spirit infilling, rededicate ourselves to reach the lost, and to restore our land by declaring an Isaiah 58 fast:

1. We will pray and worship in unity to receive a fresh infilling of the Holy Spirit, as on the day of Pentecost. (Acts 2:1-4).
2. We will pray for the Lord of the Harvest to send workers and strategies to reach our communities with the Gospel. (Luke 10:1-20).
3. We will pray for and support missionaries like St. Francis Xavier, whose Feast Day is April 8 and who took the Gospel to East Asia and baptized a million people.
4. We will commit to pray and work for an end to lawlessness. (Isaiah 58:6).
5. We will commit to showing God's love by helping meet the needs of the poor. (Isaiah 58:7).
6. We will commit to protect and provide for our children and families. (Isaiah 58:7).
7. We will believe the Lord's promise of healing, righteousness, answers to prayer, and presence in times of trouble. (Isaiah 58:8-9).
8. We will believe the Lord's promise to meet our needs and strengthen us. (Isaiah 58:11).
9. We will pray for and work to restore our land:

“Your people will rebuild the ancient ruins and will raise up the age-old foundations; you will be called Repairer of Broken Walls, Restorer of Streets with Dwellings” (Isaiah 58:12, NIV).

We believe that God is sending a great awakening to America, a second chance to overcome our past failures, to repent, to move into God's Presence, re-dig the wells of revival, and restore our land.

Wake up America.

God is not through with us yet:

“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future” (Jeremiah 29:11, NIV).

Praying On Site

The April 8, 2024, Eclipse passes over several metropolitan areas, and many will have the opportunity to pray on site. In addition, those living along the path may have revelations for local prayers. Be sure to use welders glasses or other eye protection before and after totality.

The Eclipse moves across the U.S. from Texas to Maine:

1. The Eclipse makes landfall at 12:10 p.m. MDT at Mazatlán, Mexico, and enters the U.S. at 1:30 p.m. CDT near Eagle Pass, Texas.
2. It continues in Texas over the San Antonio area, crossing the October 14, 2023, Eclipse path, at about 1:30 p.m. CDT. Residents of San Antonio should seek the Lord for the meaning of their double portion of eclipses.
3. Continuing across Texas, the path crosses the state capital of Austin at 1:36 p.m. CDT, Waco at 1:37 p.m. CDT, Dallas/Ft Worth at 1:40 p.m. CDT, and leaves Texas at Texarkana at 1:46 p.m. CDT. Texans should seek the Lord for the meaning of their double portion of Eclipses crossing the state.

5. The Eclipse enters the Southeastern corner of Missouri at 1:53 p.m. CDT, Illinois at 2:00 p.m. CDT, and Northwestern Kentucky at 2:00 p.m. CDT. The Eclipse crosses the path of the 2017 Eclipse over Missouri, Illinois, and Kentucky, including Carbondale, Illinois. Residents of these states should seek the Lord for the meaning of this second Eclipse crossing.
6. The Eclipse enters Indiana at about 2:00 p.m. CDT, crossing over Evansville at 2:02 p.m. CDT, and the State Capital of Indianapolis at 3:10 p.m. EDT,
7. The eclipse enters Ohio at 3:10 p.m. EDT, crossing just North of Cincinnati at 3:10 p.m. EDT, moving just north of the capital of Columbus at about 3:12 p.m. EDT, and Cleveland at 3:13 p.m. EDT.
8. The Path crosses Lake Erie, including parts of Canada, and passes over Erie Pennsylvania at 3:16 p.m. EDT.
9. The Eclipse crosses Lake Ontario, including parts of Canada, and enters New York at 3:17 p.m. EDT, passing over Buffalo at 3:18 p.m. EDT, Rochester at 3:20 p.m. EDT, and Syracuse at 3:22 p.m. EDT.
10. The Eclipse enters Vermont and passes over the capital of Montpelier at 3:27 p.m. EDT. Just north of Vermont, in Canada, it crosses over Montreal at 3:26 p.m. EDT.
11. The Eclipse enters New Hampshire at about 3:27 p.m. EDT, moves into Maine about 3:28 p.m. EDT, and leaves Maine and the U.S. at about 3:32 p.m. EDT.
12. From the U.S. the Eclipse moves through the Canadian Provinces of New Brunswick, Prince Edward Island, the northern tip of Nova Scotia, and Newfoundland.

There are 31.6 million Americans living in the path of totality, another 75.3 within 100 miles—a total of 106.9 million.

APRIL 8, 2024 SECOND CHANCE ECLIPSE

APRIL 8, 2024 SECOND CHANCE ECLIPSE

V Awakening Your City

“Talk to God about your neighbor before you talk to your neighbor about God” – Ed Silvoso

We believe that God’s Second Chance for America will take Christians out of the four walls of their churches and into the streets to Awaken their cities.

Jesus gave us a model for reaching our cities when He sent out the 72 workers, two by two, to prepare the way for Him. (Luke 10:1-20).

First came prayer as Jesus prayed for the Lord of the Harvest to send out workers into the field.

Second came healing, as the 72 workers met the needs of the people in the cities where they were sent.

Third the care given to the people had earned the workers the right to share the Gospel with the people.

As a result of praying for the people, caring for the people, and sharing the Gospel with the people, the demonic strongholds over the cities were overthrown.

In the same way, Awakening can come to our cities if we will pray for guidance, show God’s love by meeting the needs of our people, and then sharing the Gospel.

Everyone has a role to play to reach our cities. Some will open their homes, some will go door to door to offer hope and help to their neighbors, and some will invite people to revival meetings or Church. But all of us must, “Always be prepared to give an answer to everyone who asks you to give the reason for the hope you have. But do this with gentleness and respect” (I Peter 3:15, NIV).

Let us all do our part to Awaken our cities and set the people free.

“They overcame him by the blood of the Lamb and the word of their testimony”
(Revelation 12:11, NIV).

VI Pray Blessings over America

Want to see America change for the better?

One of the greatest lessons we learned was that blessings bring change.

Just as God sent Jesus as a blessing, which caused us to change, so we should be a blessing to be agents of change. The Lunar Calendar

The Lunar Calendar used by the ancient Hebrews was based on the phases of the Moon.

The New Moon marked the beginning of each month. Hebrew leaders would send observers into the desert to catch the first glimpse of the New Moon. They would report their observation and the Hebrews would celebrate the New Moon Festival. Since the New Moon was always the first day of the month, the Full Moon always came about 15 days later. As a result, Solar Eclipses always occur on the first day of the month and Lunar Eclipses always occur on the 15th.

From New Moon to New Moon covers a period of 29.53 days, with 12 New Moons covering 354.36 days. In order to bring the Lunar Months back into alignment with the 365.24-day Solar Year, a 13th intercalary month is added every few years. By having 7 years of 13 months every 19 years, the Solar and Lunar Years return to the same day.

The Lord established the first month of the Hebrew Lunar Year to be the month containing the Spring Equinox, Nisan. (Exodus 12:1). The rule for coordinating the Spring Equinox with the Lunar month is to set Nisan as the month containing the first New Moon after the Spring Equinox. Since this Full Moon could fall between March 20 and April 19, 30 days later, the month of Nisan could begin 14 days earlier, from March 6 to April 5. This system was continued by the Christians to calculate the date for Easter, the first Sunday following the New Moon.

During the years of Greek rulership of Judea the Jews adopted the Greek New Year and celebrated it on the first day of the 7th month on the sacred calendar. Thus, the Hebrew Feast of Trumpets in the seventh month of Tishri is celebrated as Rosh Hashanah. ("The head of the year.")

After the destruction of the Temple and Jerusalem in 70 AD, New Moon observations became difficult for the scattered Jewish communities. In the fourth century, Rabbi Hillel II standardized the Orthodox Jewish calendar and removed its requirements for observation of the New Moon. As a result, there can be differences between the Orthodox Jewish calendar and the Biblical observational calendar.

Such is the case in 2024. The Orthodox Jewish calendar shows I Nisan to be April 8, two days after the latest possible date of April 6 for Nisan to begin. Thus, April 8 is actually the first day of the second month of Ziv on the Biblical observational calendar. We have chosen to follow the Biblical observational calendar to set the April 8, 2024, Eclipse in the second month of the Lunar Year.

About Us

The American Wake Up Call is a prayer initiative sponsored by the International Star Bible Society.

The International Star Bible Society is a Christian ministry founded by Ron Allen and dedicated to strengthening the faith of Christian believers by spreading God's message about Jesus Christ that is contained in the stars, which is known as the Star Bible.

Most modern Christians have shied away from the stars because of their association with pagan astrology or adopted an interest based on scientific findings. However, about one hundred and sixty years ago, archeologists and linguists began to uncover the ancient names for the stars and constellations—names which told the same story found in the Bible. In these current times we know that God intended the stars for His children, and we are restoring the truth about the Heavens.

We believe the understanding of how "the heavens declare the glory of God" is a moving testimony of the power and reality of God (Psalm 19:1). We have made this information available as an e-book, *The Stars of His Coming*, to tell this amazing story. It is also our hope to go beyond our present knowledge, which we feel has just scratched the surface of the revelation of the Star Bible.

Our second book, *The Mystery of the Blood Moons*, expands our knowledge of the Star Bible to show how God has blessed His people during the historical Blood Moon tetrads. It also gives us hope and direction for today.

Our third work, *Teshuvah Eclipses* expands on the understanding of the Blood Moon Lunar Eclipses by showing how the Solar Eclipses on the first day of the Hebrew season of repentance, Teshuvah, represents appointed times of God's invitation and warning.

We have prepared the American Wake Up Call to encourage Americans to hold Sacred Assemblies for repentance and return to God during the October 14, 2023, Solar Eclipse and celebrate God's second chance for America during the April 8, 2024, Solar Eclipse.

We invite you to join us in this journey of faith.
